*Many many thanks for  
the tickets, it is so  
very good of you to think  
of us. Of course we shall  
all be there, my father  
would not miss it for  
anything, he has been hoping  
for an opportunity to hear  
you ever since he has been  
in England. We are not  
going to the States until Sept.  
With love & thanks to you.*
